PROFESSIONAL SUMMARY

Results-driven AI Automation Specialist and IT Operations professional with **7+ years of experience** building intelligent systems that eliminate repetitive work. Expert in deploying automation workflows, API integrations, and cross-platform solutions — from CRM pipelines and chatbots to full-stack web deployments — with a proven track record across real estate marketing, enterprise IT, and B2B support environments.

EXPERIENCE

General Virtual Assistant — AI Automation Specialist

Nov 2025 – May 2026

Real Estate Lead Marketing

GoHighLevel · N8N · Make · Zoho One · Mailchimp · WordPress · Microsoft Graph API · Claude AI · ChatGPT · Replit · Railway · GitHub

- Built and deployed a subscription monitoring site integrating Microsoft Graph API with OneDrive, Airtable & Excel using Windsurf, Replit, Railway & GitHub
- Automated lead nurturing via GoHighLevel pipelines, N8N workflows, Zoho One, Mailchimp campaigns, and a custom real estate marketing site with Resend email
- Deployed chatbot & email automation with Claude AI and ChatGPT; managed Google Workspace admin, Facebook Ads, and Canva/CapCut Pro content creation

Assistant Systems Engineer

Jan 2023 – Jul 2025

Tata Consultancy Services — ITSD Global

ServiceNow · Active Directory · Citrix · Azure · O365 · VPN · SAP · MFA (RSA / Duo) · MDM

- Provided L1 IT support for Analog Devices Inc. employees — managed Active Directory roles, O365 Azure licensing, VPN, MFA, and critical incident resolution
- Processed onboarding/offboarding requests, ServiceNow ticketing, calendar & meeting room reservations, and Citrix/SAP access management

POS Service Desk Support — SME

Dec 2021 – Dec 2022

Infosys BPM Limited

NCR Aloha POS (Menu Link) · ServiceNow · Active Directory · ConnectWise · PRISMA SD-WAN

- Provided L1 & L2 support for Chipotle's NCR Aloha POS systems — installation, troubleshooting hardware, network switches, WAPs, PIN pads, and printers
- Handled escalations and incident management; maintained knowledge base and provided floor support for agents via ConnectWise remote tool

Service Desk Support

Mar 2021 – Nov 2021

IBM / Kyndryl Philippines

ServiceNow · Active Directory · SAP · RSA · MDM

- Supported Singapore Airlines corporate users via phone, email, chat & remote — managed password resets, role access, incidents, and ticket escalation

Technical Support Representative

Feb 2018 – Mar 2021

Sitel Philippines

Remote Support · Windows OS · Hardware & Software Troubleshooting

- B2C support for AVG & Avast antivirus — hardware, software, network, browser, printer, and OS troubleshooting for end users
- B2B support for Keap/Infusionsoft — assisted business users with CRM setup, email campaigns, and e-commerce workflow management
